From the President

Greetings Everyone

As I pen my message for this month the rain is coming down in buckets and the wind is really howling. It's a good day to stay home and read a good book, or listen to the weather news. All TV weather channels are having a field day with this storm.

The February meeting will feature **Richard Stensrud**, CEO of the Sacramento County Retirement Board as our guest speaker. You won't want to miss this meeting/luncheon to get updated on the status of our retirement funds and be privy to the latest news around the county.

We've set up **May 12, 2010** as our range date this year. As you may recall, there are two courses to qualify for 2010, the local or California CCW and the federal qualifications. So it's time soon to find your side arm and have it ready to go. We again will have the barbeque provided by Mike Garcia. So circle that date and plan to attend.

We had a good turn out for the January meeting. Over 60 members were in attendance. Keep up the good work. I would hope that we can improve attendance every month.

I would like to thank Earl Evans, Larry Jarvis and Sherry Matranga for stepping up to the plate to learn how the website is run and to assist Xavier Lerch. Xavier has made a list on what programs we need to purchase for the Club to provide the services needed to continue in the future. Now all we need is for someone to assist Frank Davidson in the Treasures responsibility.

Also, Sherry is checking on the Citywide Folsom Garage Sale. Sherry will report back next month on this fund raiser for the club. So it's a good idea to plan now searching your items for this date.

See you all on February 10, 2010, 11:00 A.M.

Regards,
Dave

Minutes from last meeting: There were no minutes taken at the December meeting.

New Business: Gil Magness advised all members with life insurance to read the fine print carefully and make sure they know what they've purchased. Dave Evans recommended that the membership bring a can of food to one meeting a quarter. The food will go to a local food closet. Larry Stamm made a motion that Jim Feusi and Lee Winters be made "life time" members. It was seconded by Bob Kamena and approved by the membership.

Old Business: Sherry Matranga reminded the membership of the Garage Sale, planned for April 2010. The proceeds will go to the 711 Club. Dave Evans plans to invite a member of the Retirement Board to speak at our next meeting.

Sunshine Report: A get well card was sent to Bill Hull and a sympathy card was sent to Bob White and family. Larry Stamm also reported that Don Shaw and Al Chester are doing well.

The raffle was held and the free lunches were won by Bob Kamena, Don Savage and Roger Dickson.

From the Editor,

First, let me say thank you to Sherry Matranga, Larry Jarvis and Earl Evans for stepping up and showing interest in learning how to maintain the website and publish the Newsletter. I haven't taught any computer classes since 1983 at Sac. State. This should be fun.

Second, I want to thank Dave Evans for his efforts and success at improving the luncheon meals. Larry C. Saunders is a member of the Rancho Cordova Elks and he did a great job in the kitchen. I have complained for years about the food and I was very impressed at the January meeting. Keep the good food coming!

Third, I want to encourage all members to become more active in the 711 Club. Your participation could be the difference between just a club and a GREAT club. Frank still needs someone to learn the Treasurers job.
