Greetings All,

Sept, 14, 2010

Well I was glad to hear that all went well at the last meeting. Those of you that were in attendance know I was absent. I was with my new 10 month old granddaughter and her parents staying up the coast in Mendocino and taking in the sights. There is just the greatest scenery in and around that area of Northern California.

I had mentioned to Sherry before I left that our election of new officers is scheduled at our November meeting. Nominations are now open for anyone to throw their hat in the ring to volunteer their time guiding our club through 2011. I know there are some leaders out there.

I'm working on getting a very interesting guest speaker for our October 13, 2010 meeting. I won't say much more, but it will be law enforcement related.

I recently read in the September 13, 2010 edition of the Sacramento Bee, about the Elk Grove food bank. Different faces lining up to receive groceries and clothing items. I'm sure you all know of someone that is struggling to get by and would appreciate some temporary help. That is why, I'd like to get our can food drive going again. Bring a couple of cans to the next meeting and I will take them to a local food bank. Last time it felt good saying these food items are from the 711 Club and then telling them who we are. Plus as a bonus for donation, you will receive and extra raffle ticket. Such a deal!

See you all on October 13, 2010.

Regards,

Dave

## YOUR NEWSLETTER

I am sorry that your Newsletter is late but I was on vacation south of the border. I tried to get it done before I left but getting all the pieces together can take more time than is one would like.

This is why I have been asking for people to step up and learn how to do the Newsletter and Website. I can't be here all the time.

I have another organization asking for me to help with their Website and Newsletter and I will need more time to meet their needs. I get no pay from either organization and have not requested any. Currently the 711 Club has reimbursed me for the cost of the 711 Club website hosting, which I own. I am not in this for profit but I could use some help on occasion with both of them. Some prior experience is preferable.

E-mail me; [xlerch@711club.org](mailto:xlerch@711club.org) or call me at (530) 677-5577 and learn the ins and outs of the Newsletter and Website.
