From the President

Hello everyone,

Our October meeting was a small gathering of 37 members and guests including Terry Snow, Sariya Gault and Sue Kamena who was able to visit us from Montana.

Gil Magnus and Barbara Smith gave a brief update on the County lawsuit. Although, no resolutions are in the near future, Mike DeBord, Gil, and Barbara will keep us up to date on the workings as much as possible.

Our Christmas party is scheduled for Wednesday, December 12th, from 6 to 10 PM. The menu will consist of salad, tri tip, roasted turkey, baked potato, veggies and pumpkin or apple pie for dessert. The tentative price will be around \$22-25 per person and we will have bar services for the four hours. Frank will be sending an RSVP envelope for the party and further details will follow at the next meeting.

To help support the SSD Toy Project I'm asking our members to bring a new unwrapped toy or a gift certificate (McDonalds, Walmart, etc.) to our Christmas party or you can contact Officer Cindy Garcia at 361-4571 for further information on ways you can help her with this annual event.

On November 1, 2012, at 1:00 PM, I will be presenting our \$1,000 donation to the SSD Academy Class of 2012. This will not be a formal ceremony but if you would like to attend please let me know by October 25th, so I can let the Academy staff know.

At last, an explanation:

Ever walk into a room with some purpose in mind, only to completely forget what that purpose was?

Turns out, doors themselves are to blame for these strange memory lapses.

Psychologists at the University of Notre Dame have discovered that passing through a doorway triggers what's known as an event boundary in the mind, separating one set of thoughts and memories from the next. Your brain files away the thoughts you had in the previous room and prepares a blank slate for the new locale.

It's not aging, it's the door! Whew! Thank goodness for studies.
