From the President

Hello members,

Our last meeting before the summer break was held at the RC Elk's Lodge with 61 members and guests including new member, Jay Rogers. Welcome aboard Jay!

We scheduled four guest speakers for the June meeting; SSD Lt. Michael Gonzalez, Jan Arbuckle, Gil Magness and Chaplain Frank Russell. All had interesting and informative topics to speak about.

SSD Employee Relations Officer Lt. Michael Gonzalez has been working on ways to provide faster support information and services that are available for law enforcement members, some that includes retirees. Lt. Gonzalez hopes to provide an internet link with the 711 Club as soon as possible for easy access for our members. For further information regarding available services and how to obtain them, please contact mgonzalez@sacsheriff.com.

SSD Peer Support Coordinator and a 711 Club member Jan Arbuckle provided us with information on numerous support groups available to our members, many that are free of charge. With so many programs available, Jan mentioned only a few such as caregiver assistance, substance abuse programs and assisting families with funeral preparations. Because there are so many programs available, Jan is asking our members to contact her at jarbuckle@sacsheriff.com regarding all the programs available including a handy information packet available for us if a crisis should occur.

Gil Magness, President of the Northern California Peace Officers Association (NCPOA) and 711 Club member, enlightened us on the history of the Verhoeven Foundation and the many benefits available to local law enforcement members and their families who are in need due to death, major illness or other life-changing situations. To learn more go to: www.verhovenfoundation.org

Chaplain Frank Russell was planning to talk about his experiences in Boston on the day of the Marathon Bombing but was unable to attend our meeting due to an injured deputy crisis. Chaplain Mindi reports that Frank will speak at our September 11th, meeting and luncheon.
