711 CLUB NEWSLETTER

From the President

Many of us make promises to ourselves at the beginning of the New Year. We make pledges such as I'm going to save more, spend less, exercise more, or spend less time on the internet, etc. We begin with good intentions, but before long old habits creep back in. We slip up occasionally and then more frequently and we find ourselves back to where we began. It's as if our resolutions never existed.

Will Rogers once said, "Even if you are on the right track you'll get run over if you just sit there." It is my New Year's resolution to conduct informative and entertaining meetings once a month. I say that because I want the membership to keep an eye on the future and keep our club pointed in a positive direction.

Having said that I believe we have to change things up a little bit heading down the road for 2014. To make our Wednesday meetings more informative and entertaining we had former Sheriff and KFBK Radio personality John McGinness as our guest speaker in January. We had an excellent turn out and everyone enjoyed themselves.

The February guest speaker is Mr. Richard Stenrud, CEO of the Sacramento Employees Retirement System. So if you're interested in your retirement cheques and what the future outlook is plan on attending next month's meeting.

Secondly, we will be taking a break from our current meeting location. We will be meeting for the next several months at the SPOA banquet facility located at 550 Bercut Drive in Sacramento. This location is right next door to the old Rusty Duck. This location is freeway accessible, just off Richards Blvd. exit on I-5. It will accommodate 120 people and there is plenty of parking around the building.

Our old friend Mike Garcia will be providing the lunches via his Thai-Mex BBQ catering business. Mike has promised us a wide-range BBQ menu and we all know his food is plentiful and delicious. Corn beef and cabbage is scheduled for March.

**PRESIDENT DAVE EVANS
WELCOMES OUR NEW SECREATARY**

I want to introduce Nancy Gust, our new Secretary for the club:

Hello my name is Nancy Gust. I started my career with Sacramento County on April 1977, at the District Attorney's Office working in the Child Support Division as an Account Clerk. In 1981, I transferred to the Downtown Office to do various financial jobs.

In March 1984, I promoted to the Sheriff's Department to start the Patrol Word Processing Unit. In 1988, I went to the Communications Center for a year and then in 1989, I went to the Main Jail Division. I worked in the old jail until the new one opened and then delivered commissary for three years. In 1992, I transferred to the Administration Division to run the Off-Duty Program. I was promoted shortly after that and worked in Purchasing.

In 1995, I promoted to ASO I and moved over to the Fiscal side of Admin. I started working on facilities projects, stats and budget. I moved up the ASO ladder getting more involved with the budget and major facilities projects. I retired on June 2013, as an ASO III. I enjoyed my time working with the County.

Nancy Gust
