From the President

Dear Members,

Our April meeting was a huge success. We had over 80 members present to listen to Sheriff Scott Jones bring us up to date on what's happening with in the Sheriff's Department. It was nice to hear that the "Department" will be adding positions over the next several months and those deputies currently who have served over 5 years in corrections can make their way to patrol and other bureaus within the department.

The Sheriff told us that within the next several months new General Orders regarding concealed weapons permits will be unveiled. Those orders will be aligned with current practices with slight modifications.

Next up is our May 14th meeting at the range. Sign up as soon as you can to ensure we count right with our caterer and to provide you with enough water and liquid refreshments. By the way, speaking in that line, what are your favorite drinks other than water? When we first started out, I quite frankly didn't know what to buy. I personally drink a lot of water, so I figured that beverage would be number one. You all know who our board members are so let them know. See page 2 of this newsletter or the website for their contact information.

I will be attending several outside training events in my former profession to listen to their guest speaker. My thought is to purloin one or two speakers for our fall schedule. I have some very interesting topics in mind, but always welcome member ideas and input.
