## From the President

Greetings Everyone,

Well we kicked off the fall schedule with a great speaker. Newly elected Sacramento District Attorney Ann Marie Schubert was our guest speaker. Although she doesn't take office until January 2015, from what she imparted, she's one of us. From cold case files; the Sacramento County Crime Lab; to Proposition 47, she covered it all.

Our attendance has been fairly good this year, but there is plenty of room for improvement. Our last meeting we had around 50. If you have been paying attention, we have not conducted any life threatening business at the meetings. I promised at the beginning of the year that our meetings would be informative and entertaining. I've tried to keep that promise and I believed that the board and myself have done a pretty good job. Most of the new business has been with the board of directors before or after the meetings. A recap was provided to let you know how we have been spending your money and what's up next in the future. This month, we approved funds in the amount of \$2,000.00, for the two SSD academies that are presently underway. A \$200.00 donation to SCERA for their upcoming California Counties Conference and a \$200.00 donation to the Canfield Foundation for scholarships for FFA students attending Galt High School. This past summer we extended our benefits to four families of our departed brethren. Keep December 10<sup>th</sup>, open for our Gala Christmas Party.

Now, for business! There will be three (3) vacancies on the board of directors that must be filled. I would expect that at least three members would step forward. Nominations will be open at the next meeting. Most importantly, my spot! I accepted my nomination last year for one year only. Well it is almost up. Anyone of you can bang the gavel, call the meeting to order, and introduce guest speakers. If I can do it, so can **you**.
