## From the President

2015 is upon us, and it looks to be a year of challenges for Law Enforcement and their many supporters. The Officers and Board Members of the 711 Club will do everything we can to keep this organization true to its purpose. While part of our mission is to provide whatever support we can to Law Enforcement agencies and recruits, it also includes the all important social aspect for our members who have dedicated so much of their lives to serving the community. You have earned the right to gather and reflect and socialize with others who have shared this bond, and the 711 Club will continue to be there for you.

We have a group of high quality individuals serving on the Board. Their names and contact info can be found in the newsletters and on the web site. If you have any concerns or suggestions or requests, be sure to contact one of us and let us know. We have some good ideas for guest speakers in the coming months, and we are always open for suggestions. Our January meeting featured a presentation by Sgt Kyle Hoertsch who supervises the Sex Offender Registration Detail. In February, our guest will be Richard Stensrud, the CEO of County Retirement. You won't want to miss this one.
