From the President

A very pleasant 'Greetings' to you 711 Club members. Our February meeting was well attended and the good news from SCERS CEO Richard Stensrud was well received. A COLA in the 3-percent range is always welcome in these hard, but improving, economic times. According to Mr. Stensrud, our SCERS system is one of the highest performing and funded systems of its size in the USA. It looks like our money is in very good hands.

Karlene Doupe has lined up a presentation for the March meeting, to be held March 11. Senior Care Solutions has a program called "Navigating the Senior Care Maze" which is designed for care-givers or potential care-givers who have loved ones suffering from conditions such as dementia or alzheimers. Karlene has heard several of their presentations and says they are very informative. Care-giver duties may fall upon any of us at any age, and this program is just the thing to help us 'Navigate the Senior Care Maze'. So plan on attending the March meeting for fun and fellowship, great food and an important and timely educational presentation.

TELL ME WHAT YOU DO. I have been mulling over some thoughts about just what our members do once they are retired and have all that spare time on their hands. I'm not sure what I can do once I have this information, but I am very interested in the types of volunteer activities you are involved with. I know we

have members who are docents at zoos and museums, campground hosts, etc, and I really would like to know the extent of anyone's involvement with this type of thing. So, if you would please, let me know what you might be doing out there in the volunteer world. You can send me an email at earlthepearl1948@hotmail.com.

Once again, it is an honor to be part of this great organization. I look forward to seeing you on March 11.

-EE (Earl Evans)
