From the President

Our September meeting was a huge success. It was great to see so many members enjoying each others company after our summer break and the museum visit was very special. I saw several things in there that brought back many memories. I'm sure all of you did as well. Sharon Telles has done a wonderful job bringing this project along. It will soon be open to the public and it will be needing our support.

Volunteers will be needed for all stages: from the work left to do before opening, as well as the continued maintenance and additions once it is open. Volunteers will also be needed to guide visitors through the museum and explain the artifacts displayed there. It should not require a burdensome commitment on your part, and the more people who volunteer, the less each one will have to do. Sharon has floated the idea of a 'docent' group for this purpose. The academy staff has asked that a retiree, preferably a 711 Club member, be on hand for each academy class to tour the museum, a commitment of just 3 or 4 times a year. They want to make sure the recruits develop an appreciation for what came before, and the work and sacrifices that were made by the previous deputies and employees of SSD. If you are interested in being a part of this very important project, please call Sharon Telles at 916-717-2298. (See additional contact information on page 2).

As we head toward the end of 2015, keep in mind that we will be needing to fill some openings on our Board of Directors. All the officer positions are voted on each year as well, and the vote will be coming up in November. If you are interested in holding office for the club, be ready to throw your hat in the ring next month. You will find it to be very rewarding.

See you on October 14th, back at the SPOA.

From Sharon Telles, Museum Director:

Thank you 711 Club for all of your positive comments from your day at the Museum. It will certainly give me the incentive to finish up this project.

I was asking for some folks to come and join me this fall in putting together a plan for docent training so that when guests come through the Museum you can give them your story of being a part of the SSD family.

You can reach me at ssdmuseum@sacsheriff.com or stelles@sacsheriff.com. If I get enough interested folks I will set up a time to meet after the first of the year. Thanks to all of you who had donated items so that this Museum will show our history.

Sorry about the lack of a sound system so you could have heard me better.
