From the President

Summer vacation is here and I hope you have exciting plans. Being retired, we don't really have a 'summer break' but some of our family members are still *workin' for a livin'* so this is the time when family vacations can happen. The 711 Club will not be meeting again until September, but we have a big event coming up next month that might interest you.

The Sheriffs Activities League is having their annual fundraiser golf tournament on August 29th, at Valley Hi Country Club. The 711 Club will have a table at one of the tee boxes to meet and greet the golfers and the galleries. We will have information and flyers about the 711 Club to give to everyone passing by, explaining who we are and what we do. **We need members to come out and staff this site.** Bubba Smith is coordinating this effort. We will have a table and chairs, a banner, and a tent for shade. There will be a lot of food and beverage vendors at the tournament, so if you are working the 711 table, you will have an opportunity to visit their booths and sample their products. We're talking quality food and drink here and it is free. There will also be many nice raffle prizes for you to win. The post-tournament dinner/awards banquet will be open to golfers only as part of their package, or to non-golfers who want to pay for the meal. With or without the dinner, you can still have a great time if you want to join us. If you want more information, or want to sign up for our table, call Bubba Smith at 916-606-0324.

Our next meeting in September will be at the Sheriff's Academy, and will include a visit to the SSD Museum. We did this last September and had a nice turnout. Due to the heat we moved the event into the gym instead of having it outside as planned. Over the year since then, there have been many updates and improvements at the museum and you are sure to enjoy your visit. I will also be extending an invitation to the Sacramento Veterans Police Officers Association (SVPOA) to join us at this luncheon and Museum visit. The SVPOA is our counterpart over at City (the retirees from the Sacramento Police Department). I attended their June meeting as a guest of Paul Brown the SPOA Vice President. There were several SPD retirees there whom I worked with in joint operations and investigations and it was great to see them again. You might meet some of your old cohorts or officers you got to know at the jails or the courthouse or activities like the Pig Bowl. I hope we have a nice turnout from 711 and from SPVOA. Kathy will be sending out meeting notices when the date nears.

Presidents Message	1	<p>Unless something derails my plans, I will be on the road from August through October, so Vice President Richard Madrigal will be presiding until then. I will be available via email, and back in town for the November meeting. By then, the nominations for next year's officers and board members should be started. Think about who you want to nominate for any open positions.</p> <p>That's all. 10-7 for now. -EE (Earl Evans)</p>

A report was given on the Board of Directors Meeting that took place before the regular meeting. The BOD's also decided to rent a post office box in Yuba City for the treasurer to handle club mail. Note mailing address change.

At the May Range Day, not many non-sworn's came to shoot for fun. It was also noted that the General Order 13/05 relating to retirement credential renewal has updated forms. The forms have been updated on our website. They can be found on the 711 Club website under Reference Materials. If your ID is expiring, be sure to allow enough time for the new process. Your application has to be signed off by Executive Staff before your Livescan appointment can be scheduled.

The September meeting may be held at the Academy. Look for details on the meeting location when Kathy sends out the email meeting notice for September. The location will also be updated on the website.
