## From the President

Another May Day at the range and a great time was had by all. This year, for the first time, the Undersheriff allowed the non-sworn members to shoot if they had a weapon and desired to do so. It was a qualifications day only for the sworn retirees, but a fun shoot for the non-sworns that also participated. I want to thank Bubba Smith for making the necessary contacts to make this happen. I hope it will also carry over into the following years as well. Sergeant Steve Harding and his Range Staff made the event a fun and safe day for all of us. I also want to thank Amanda Walker, the Recreation Supervisor at RCCC, and her staff for getting out the tables and chairs for the lunch and for knowing where to place them so they would be in the shade at the right time. Mike Garcia and son, delivered their regular delicious meal. There was lots of socializing with old friends we don't see often enough.

One thing that came to light during the lead-up to range day was the issue of Retiree ID Cards. Some members discovered theirs had expired, and they would not have enough time to renew them in order to qualify. The range staff cannot sign off any qualification slip for any person who does not have a valid and current SSD ID card, with the CCW endorsement. We are finding out that the process can be lengthy, so don't wait until the last minute to renew. The application for renewal has to be filled out. Contact Live Scan ID 874-8076. They will fill out an application and deliver it to SSD Admin. for approval. It will then make it's rounds to everyone who has to sign off on it to establish you as a retiree in good standing. This might take several days, and once it is done you will be notified of your appointment date and time to come to the ID Live Scan station in the Headquarter's lobby. You must have an appointment. You will then be issued your ID Card. The CCW endorsement will be on it even if you have not qualified at the range. You will be authorized to carry concealed in California. The annual range qualification allows you to carry in all 50 states under Title 18 USC 926 c.

We have one more meeting before our summer hiatus. The June meeting will be Wednesday, June 8th, at the SPOA office on Bercut Drive. There will be a Board of Directors meeting immediately preceding that, so if you can come a little early and help set up the tables and chairs, that would be much appreciated, as the board members will be busy trying to devise new ways to spend your money. Social hour starts at 11:00. Our guest speaker for June will be John McGinness, former Sheriff and current radio personality. I am looking forward to a lively presentation by John.

Two upcoming events might interest you if you are a motorcycle rider or a golfer. The Chaplaincy's Memorial Motorcycle Ride to honor our fallen officers is on June 18th this year. Our donation to the Chaplaincy allows us to put two riders in this event, compliments of the 711 Club. Also, the Sheriffs Activities League is having their annual Golf Tournament on August 29th at Valley Hi Country Club. The 711 Club has bought 4 spots in this fundraiser event as a donation to SAL. These two spots for motorcycle riders and four spots for golfers will be filled by way of drawing names. If you want to enter either of these drawings you need to get your name to me before June 8th, via email or phone call, if you haven't already done so. The drawing will be held at the June meeting.

Thats all folks, Ten-7 for now. EE (Earl Evans, President)
