From the President

Greetings! This month, this President's message is from me the President. Thank you, Kathy Shannon, for a job well done chairing the October meeting in my absence. Today we had 31 members in attendance. As usual, we had a very nice meal provided by Thai Mex caterer Mike Garcia. We Honored Our American Flag with our pledge of allegiance.

In the absence of Pat O'Neal, I read off the names of two SSD Retirees who had passed away, a moment of silence was observed for Deputies Don Habecker and Roy Mayhew. I also reported to the membership that Pat O'Neal's wife is recovering from cancer surgery and retired Deputy Jim Fesui is quite ill with Brain Cancer. Pat asked that we let all members know they can call Jim at 916-652-5953. He would like to hear from any of us. I then recited a prayer for all the above for healing and comfort.

I announced that I had canceled our scheduled speaker due to a concern regarding a SCERS Tax Reporting Fiasco that has affected some of our club members and many SCERS retirees. I received an e-mail from Kathy Shannon that there was a problem regarding the Tax Period of 2015. Several SCERS retirees have received letters from the IRS stating that they owe money on their 2015 taxes. I asked our meeting attendees if any of them had received the mentioned letter. About 7 or 8 members acknowledged they had. In short, if you receive this letter, call Margaret Duggers at SCERS, 916-874-4981. She will give you information on how to proceed. Upon contacting SCERS they will send out a letter and a copy of the 1099-R to use when you respond to the IRS. SCERS is re-searching how this could have happened. One of our 711 Club members, retired Deputy Tim Kelly is a Tax Attorney. He brought this to Kathy's attention via E-mail. "It is not known if this is an error in reporting by SCERS or by the IRS" Tim is assisting about 30+ retirees get through this problem and has received many calls from others.

SCERS has a new CEO. He is Eric Stern. Stern currently leads the program on retirement and health benefits at the California Department of Finance as the Chief Executive Officer of the pension fund.

It is again time for nominations for the election of 711 Club Board of Directors and Officers. Two of our past presidents have volunteered to be Board members, Barbara Smith and Earl Evans. Because there was not a quorum of the membership present, we were not able to vote for our candidates. Therefore, we will hold the vote until we have a quorum at our Holiday Party on December 13th. Please, if you are not attending the party ask a member to vote for via proxy (Yes or No vote for the candidates), or respond by email to one of the board members. Our email addresses are listed on page 2 of our monthly newsletter. Thank you.

I have noticed that over the past few years very few members have stepped up to be an officer of the 711 Club. I very much appreciate those past officers and board members for their commitment and willingness to run for the yearly open positions. For this next year it almost looked like we would have to struggle to find new officers to volunteer. We have over 400 members in the 711 Club registered yet we continue to struggle for Officers. We need new blood to stand up and volunteer. I thank all of you who have served (some repeatedly), and a special thanks to Barbara and Earl for your commitment **Again**.
