From the President

Hello everyone. Our last meeting, Range Day, May 16th, was a very interesting day for all. There were weather changes throughout the day. We had rain, hail, lightning and of course thunder. Mostly we had a very good time shooting and obtaining our qualification slips so that we can be legal for carry throughout these United States. The shooting went well. Our thanks to the Range Staff led by Sgt Matt Owens, Range Master. Though we had 85 members of our retirees register to shoot, we ended up with about 60 members at the event. The weather kept many away. 70 of our retirees were signed up to eat Mike's meal of chicken & pork.

The recreation staff led by Amanda Walker of RCCC did well in setting up the tables and chairs for our fine dining and then cleared it all away.

After shooting, I observed most of all present joining in greeting each other and sharing their personal stories of our lives since retiring.

I did again get to welcome back Indiana Jones from Dayton, Nevada. It's always so great to see him with his very snappy ear protectors. The shooting usually causes him some concern, however, this year it was the lightning and thunder that made him quite nervous. Margaret and I will visit with him next week to see if he has recovered from all the noise. I do know that he loved the attention and greetings from those of you who know him well. We can thank Paul and Terry Schmalz for Indy's visit.
