From the President

Greetings to all you fellow retirees. I hope those who attended our last luncheon on March 13th enjoyed themselves as I know I did.

It was a great turnout and made even better by the expert information provided by our guest speaker, Eric Stern, the CEO of SCERS. I know that the main topic of interest was our COLA for the upcoming year (4% for Tier 1) and Eric did definitely confirm that in his talk. In addition he also gave some other tidbits of information that will affect any of those still working as on-calls. All and all a very worthwhile talk and I am grateful to Eric for taking the time to come and talk to us.

In April, we will have Sergeant Matt Owens our Rangemaster as a speaker. Even though our range day is not until May 22, we will not have a meeting in May as the range day covers that event. Sgt. Owens will give us an update on the range rules for qualification and a review of HR 218. I hope we have a large turnout for the April luncheon for Sgt. Owens talk. I am sure, he will answer any questions, or concerns, you may have for the shoot to help to make things run smoother.

Rich Madrigal came up with a great idea to help increase our membership at the luncheons. It's called, "Buddy Check". The plan is that during, "Buddy Check Week", everyone takes the time to call on any 711 Club, or former member, who may have lost touch with the 711 Club. We need them and they need us. At the same time, we also honor the vision of the founders of the 711 Club by making personal contact with our fellow SSD retirees. This is a wonderful idea by Rich and one that I hope everyone will engage in doing.

Speaking of Rich Madrigal. I had the honor at our last luncheon of presenting Rich with a token of the 711 Club's appreciation for his two years of service as our President. Rich was presented with an engraved BBQ meat paddle (work done by the engraving shop at RCCC) and also a gift certificate for Haggin Oaks Golf Course. Congratulations again to Rich.

Good health and best wishes to you all and hope to see many, many of you at our luncheon on April 10th - John

Cola for Tier 1 Retirees' will be 4%. Tiers 3,4,5 will receive 2%. The retirement system is funded at 82-83% due to conservative investments. There was a 10% return for the Fiscal Year ending June 30,2018 and 7% is being projected for 2018/19.

The system has been working hard to get new retirees applications processed faster. Have changed the procedures and hired more people. Most first checks are going out in 45 days. They are processing approximately 800 applications a year. New automated system is in the works to replace the manual system. Should be available in approximately two years. Additional changes that have happened this year are the SCERS News Letter starting again and a new SCERS EIN number for tax purposes.

SCERS is working with the County and DSA on how many years annuitants can work. You can only work 960 in a year. Everyone would be able to work for an initial three-year period with a possible extension for an additional two years. Law enforcement (including some non-sworn positions) would be exempt.
