## From the President

I'm happy to report that I have survived my first meeting as President of the 711 Club. I truly appreciate the support I have been given and will do everything in my power to ensure that we have a successful year. Speaking of that, I want to reiterate to all our members that my focus and goal for this year is to increase the attendance at our monthly luncheons. I know everyone at the meeting has heard me say this already. For those who read the newsletter, but didn't attend the luncheons, I really want to reach out to you and encourage you to come back to the fold. Our financial purpose is to provide charitable support to our members and those connected with the Sacramento Sheriff's Department. Our other real, and I believe, just as important purpose is to provide a base for social interaction between the retired members of our department. This is what drew me to the 711 Club after having been retired a number of years. I missed keeping in contact with people I had worked and interacted with during my active years. Now, having that contact I truly enjoy the time I spend talking and catching up with everybody at the luncheons. So please, to those who haven't been to a luncheon recently come back. Let us enjoy your company and catch up on what's been happening in your lives, as well as ours.

We will have speakers during the year but not necessarily at every meeting. I want to have speakers with subjects that will be directly related to us as retirees. For example, I have already secured Eric Stern, CEO of SCERS to be our speaker at the March meeting so he can give us an update on the retirement picture. If you have speaker suggestions please do not hesitate to contact any of the board members with your thoughts. Speaking of the meeting part of our luncheons, I will try to keep the business part as short as possible so that we can concentrate on the social aspect. Before I close, a tidbit of information for you. Our Immediate Past President and new Board Member, Rich Madrigal, has agreed to take over the duties of Sunshine Chairman. If you have any information on retirees under the weather please let Rich know about it.

Have a safe and happy month and I look forward to seeing all of you at our February luncheon.

Bob (Hog).. can you mention to everyone about the SSD reunion in Boomtown, June 9-14? It will be at the Boomtown RV park just like the first one last year. Folks who don't have RVs stay at the Boomtown Hotel. They make their hotel reservations on their own. At Boomtown RV park, the group sites are under James. There are only a few slots left together, but the park will have other sites if we outnumber the sites I set aside. If they make the reservations and have to cancel, no problem. They are pretty easy going there. If someone wants to come up for the day, the best day is Tuesday, June 11th. We have BYOB appetizers at noon and a catered hamburger BBQ that afternoon, about 5. It was such a good time last year, catching up with everyone. It's a family friendly event. I appreciate it! Donna James
