From the President

Hello to all of you once again. This will be my last message for several months as we are now in our summer break. We will resume again in September with that month's meeting. The luncheon will be at our regular spot, the SCDSA building at 640 Bercut. I hope to see many, many of you there. The following month might be a change as we are considering meeting at the Sheriff's Academy. If this comes to pass, we will be able to tour the Sheriff's History Museum, and then we will have our luncheon afterwards. I will keep you updated as we get closer to that date.

I felt we had a great meeting in June. Four of the Young Marines were present and presented the flag for the Pledge of Allegiance. Deputy Nate Nguyen, the unit commander, was present along with three other advisors and they gave an interesting talk on the background of the Young Marines. The highlight of our meeting was, of course, a talk by Retired Undersheriff Carol Daly on EAR. I thought the information she gave was different from anything else I had heard about EAR as she was the one talking to the victims. With that knowledge, Carol was really able to give a different perspective into the case. In any case, I think everyone feels relieved he has been caught and the victims and their families can now get some closure.

Our turnout was smaller than I expected for the June meeting but part of it may have been due to the services being held the same day for Bob Doherty. I understand it was a tough choice for anyone to make, and I certainly respect anyone's choice to go to Bob's services. That being said, hopefully, we will not have a conflict like that for our September meeting and we will have a large turnout. Looking forward to seeing you all there!

John
