From the President

Well our shooting day is now behind us, and as far as I can tell it was a success. Not as many of our comrades as we've had in the past, but the people there were a quality group. I want to give a great big shout out to all those that did attend because it was those folks who made the day a success. I also want to give a special shout out to Jon Bowman and Bill Long and his wife Pat. Jon was a member of our department for many years and then transferred to Carmel, CA PD where he retired as a Lieutenant. What made me feel really good was Jon's comment to me that although he retired from Carmel PD his heart was always with the Sacramento Sheriff's Department, and now he has come back to us. Thanks, Jon.

Bill Long and his wife traveled all the way from Hawaii to be here (well okay he really came to see family here), and I was really thrilled that they took the time to come down to the range and spend the morning with us. A little sideline, in talking with Pat Long she remembered me from Sacramento High School where it turns out we played in the band together. Small world, but good to see other comrades from my high school days.

Well our June meeting should be interesting. Presently we are set to have the Young Marines Organization come and do a flag presentation prior to the Pledge of Allegiance. In addition, and something I am really looking forward too, is our speaker for the meeting who will be Carol Daly. She has agreed to come and give some of her inside information on the EAR case. I am planning on giving her extra time so please plan on this and don't be in a hurry to leave.

I still want to push to have bigger turnouts at our luncheons. We haven't really decreased in numbers but our turnouts haven't gotten bigger to speak of either. I will say that we have some new/old members coming to the luncheons that haven't been previously so I am happy with that result. However, anything that you as members can do to bring more of our retirees into our fold will really be appreciated. The camaraderie and connection that I see at our meetings is what makes the 711 Club so worthwhile and this is what we really need to show to any prospective members or attendees.

I look forward to seeing and talking with all of you at our next meeting in June. -John

Boomtown Reunion

June 9 to 14

Donna and Larry James did this last year and it's growing. June 9-14, with barbeque the 11th. Call the KOA Boomtown campground and mention James name as they have reserved spots. If reserved spots are taken there should be other spaces in the park. The Boomtown Best Western is just above KOA with shuttle to campground.

Maybe bring a chair. Mostly sit around and visit.

From Donna James on Facebook SSD Retired page: Hello reunion people. Don't forget, Tuesday is BYO appetizers at noon and free catered BBQ at 5ish. Hope to see you there, even if only one day. Catch up with old friends!

June 9-15. I need a tentative head count for the **Tuesday, June 11, the catered BBQ**, so please post here (Facebook SSD Retired page), how many in your party plan on eating free food and enjoying the gift baskets giveaway..♥
