From the President

I am resending this as my President's Message in case any of you had missed my original letter.

To all of my fellow members of the 711 Club. As your club President. I feel a very strong duty to write this to all of you in this time of, what appears to be becoming, a very large crisis.

The Covid-19 (Coronavirus) threat seems each day to grow worse and worse and quite frankly I believe it is. As I mentioned in the latest newsletter I feel I ought to be back in the thick of things as a first responder. Yet, at the same time I am extremely thankful that I am not there, becoming exposed myself and possibly exposing my family. As retirees we have paid our time and done our duty and that's why we let the current members of the Sheriff's Department take over for us. That being said what is important, more than ever, is to protect ourselves due to our ages and medical issues that arise as we get older. My point in all of this, and my point in this letter, is to strongly encourage all of you to follow the mandated guidelines to stay at home, and to follow all the precautions when you do have to go out into the public. We are definitely more vulnerable and need to protect ourselves as much as possible.

The one thing I dread hearing is that one of our members is sick with the Covid-19 virus. You are all important to me as I hope I am important to you. We lose enough of our members through the natural process each year. and I truly do not want to lose any more due to this virus. Please be safe and be careful. Protect yourselves and your families, and pray, as I do for all of you, that we can all get through this crisis with as minimal loss as possible.

Your President
John Woodhouse
