From the President

Hope everyone has been staying safe and well. This whole Covid-19 crisis has been quite an ordeal, since it seems to get better and then suddenly is bad again. It would appear it's going to be with us for awhile and we are just going to have to live with many restrictions.

Speaking of that, at the present time, we are still planning on having our September meeting on the second Wednesday (September 9th). Kathy will be sending out a notice to get a count as to how many will be attending if we can meet.

I talked about the club leadership in my last message but I want to reiterate again since it is so important. This is my second term as President so I cannot continue on for a 3rd term. Barbara Smith has been a wonderful right hand person and a tremendous help to me, and the 711 Club. She has been President several times already. She also will be leading another organization next year so she is not available to step up to the President's position. We need someone to step up next year and become President and Vice-President. The plan is to have nominations at the October meeting and elections in November. If you have anyone in mind for these positions please put their names forward at the October meeting.

We still have nearly a month and a half until our September meeting and I'm hoping things will go well and we can do it without any danger to anyone. We will do as much social distancing as possible, and I would encourage everyone to wear masks unless eating. Please be safe and we'll see you in September.

- John

Editor Note:

Due to the covid 19 virus pandemic no meetings were held in April or May.

The Range Day meeting was held June 17th.

July and August are summer break and we intend to resume meetings on September 9th, 2020, the good Lord willing. Stay well & safe with all that is going on.
