From the President

Well here it is the middle of June and I hope everyone has been staying safe and well. June 17th was our delayed range day. We didn't have quite as many shooters as usual but I know the ones that were there enjoyed themselves and the lunch afterwards. I want to send another shout-out and thank you to Sgt. Manning and the staff at the range for accommodating us for a pleasant day of shooting and camaraderie.

I have talked with some members of the board regarding their feelings as to a meeting in September. We have decided that at this point we will have a meeting at the DSA offices in September. Kathy will be sending out a notice in the near future to that effect. At this point, we don't have a speaker but that may still resolve itself as we have some time before the meeting.

The last item I want to mention is in regard to our leadership for next year. This is my second term as President so I cannot continue on for a 3rd term. Barbara Smith has been a wonderful Vice President and right hand person and a tremendous help to me and the 711 Club. She has been President several times already. She also will be leading another organization next year so she is not available to step up to the President's position. We need someone to step up next year and become President. If you are willing, or know someone who might be willing, please contact myself or any board member and give us the name. You will be doing us all in the 711 Club a big favor.

Presidents Message	1	<p>This is my message for now. I know that the Shelter-in-place rules have been relaxed and many businesses are trying to get back to normal. This is understandable, but also remember that Covid-19 cases have started spiking again in many areas throughout the country so please take care, stay safe and stay well. See you in September.</p> <p>John</p>
