## From the President

Good day to you all. Once again I hope everyone is staying safe under the Covid-19 rules wearing your masks and socially distancing.

The 711 Board of Directors met this Monday at the SCDSA headquarters. Several decisions were made. We will be having a meeting in November on our regular second Wednesday at 12pm. This is an important meeting as we need to elect the new officers for next year. We are asking everyone to wear masks, unless eating, and we will also practice social distancing. See page 3 for the list of candidates and officers.

We also decided not to hold a Christmas party this year. One of our main projects during the party is to give toys to the Toy Project. This is a dual project as money comes from the 711 Club as well as from those who attend the party. This year the 711 Club is giving \$1000 to the Toy Project and we are asking that if any of our members want to donate money or toys to do so directly to the Toy Project.

For your information, the DSA is having a drop in/open house Christmas Party on December 15 and 16 at the SCDSA headquarters where we normally meet for our luncheons. You are all invited to attend, eat, and socialize.

I don't have anything else to report other than to encourage all of you to please attend the November meeting (November 11). This is very important to have as many members at the meeting as possible to ensure our offices are filled for next year.

John
