From the President

Hello everyone! The 711 Club held its annual shoot/picnic on Thursday, June 3rd, at the Kenneth Royal Firearms Range. The weather was temperate and we enjoyed a very pleasant day to shoot. Thai-Mex catered the event, serving chicken and tri-tip with the usual accouterments.

The membership turnout was light in comparison to past years. I attribute this in part to the Covid pandemic. I find this event to be a great resource for our membership and a great opportunity to renew our yearly HR218 requirement so we may carry a concealed weapon outside of California. The event is free of cost, save the expense of fuel necessary to get ourselves out to RCCC. The range facilities are among the best of their kind anywhere, and the quality of advice and instruction available to us is also among the best offered by any agency.

We've been welcomed to return to the range in 2022 for our annual shoot. The rangemaster specifically made it a point to schedule next years' event with me before we departed this years'. The 2022 shoot is tentatively scheduled for Thursday, June 2nd 2022, so please make a note of this date. I'd like to extend a warm "Thank You" to Range Master Jason Manning, and to all of the range staff as well for graciously hosting the event for our club.

The annual shoot is essentially the general membership meeting for the month it's held. Little other business was discussed outside the scope of the shoot, so there's not much of any substance to report on in that area with the exceptions described below.

On Wednesday, June 9th 2021, the 711 Club will present a check to Academy Class 21-SBRA-2. (I remember my class title started with a 76!) Vice President Sue Johnson and I plan to go to the academy to present the check to the class President, and briefly address them with some encouragement for their futures. The class will use the funds for their various needs, to include purchasing a flag and their graduation ceremony.

Larry Jarvis is "retiring" as the 711 Club webmaster. Member Scott Swain has boldly agreed to step up to the plate as our new webmaster, and Larry will be training him for that position. Thank you Scott for generously offering your services to help out the club.
