From the President

Hello everyone. The 711 Club's May 2021 meeting was held on Wednesday, May 12th.

At the start of the meeting a "moment of silence" was observed for two California peace officers who lost their lives to gunfire this past week, in two consecutive days. One officer is from San Luis Obispo County, the other in Stockton, CA. Let's not forget our fallen comrades, ever.

Senior Chaplain Mindi Russell appeared as our guest speaker, and as usual delivered a vibrant, spirited talk. She spoke of the fallen officer in Stockton, and reminded us all that law enforcement is our calling in life. She stressed that we are all to be proud of our accomplishments, and especially during current times when our officers are being attacked with alarming frequency by those we try to protect. The Club presented the Chaplaincy with our annual monetary donation at the meeting as well.

The Chaplaincy is always welcoming donations. Anyone wishing to donate should access their website, www.sacchaplains.com.

Larry Jarvis will no longer be the 711 Webmaster as of later this year. We discussed possibilities for a replacement, including hiring a person from outside the 711 Club as the new webmaster. Any member with ideas or suggestions in this area, please speak up.

Our annual shoot/qualification for HR218 (which allows us to carry out-of-state) will be held on Thursday, June 3rd 2021 at the Kenneth Royal firearms range at RCCC. A reminder, you must have a suitable holster for the weapon(s) you're qualifying with, and furnish your own ammunition. The event will be catered by Thai-Mex, at a cost of \$20 per person, which must be pre-paid in advance to Kathy Shannon because of no-shows in the past.

The range master, Sgt. Manning, called me this morning, Tuesday May 18th. He told me that there is a new SSD yearbook in the making, and there will be a photographer at the range on the day of our shoot. The photographer will be there that day to photograph the range personnel. The range master suggested that the 711 members in attendance could assemble for a group photograph which would be included in the upcoming yearbook. Personally I think it's a nice idea, and thoughtful of the range master to think of including us. Of course anyone not wishing to be photographed may choose not to participate, but this would be a good way for our club members to be remembered.

The June 3rd shoot will be the last 711 Club event until the September 2021 meeting as we will not meet in July or August. The September meeting will be held on Wednesday, September 8th, 2021, and an announcement will be sent out prior to that date. I hope to see you at the shoot, and at the September meeting.

Please take care, Sam
