From the President

Fall is here! Cooler weather, colored leaves, spiced apple cider, and all the warm thoughts you think this time of year!

The SAL golf tournament was a blast! We served "Not Your Dad's" root beer floats, while Barbara Bravos, pedaled, lip gloss, ha ha Chapstick, to the players! Bubba purchased one of the favorite raffle items, a paddleboard as our donation to the raffle. We made new friends, left with old friends and welcomed five new members to our club.

A big thank you to Scott Brown and his wife Liz, for a moving and insightful September presentation, the scene was set on the day of Danny Oliver's death and moved to present day. If anyone reading this would like more information on dealing with a line of duty death in the aftermath, please read Scott's book, Facing Evil, or you can reach out to him.

October speaker is Undersheriff Mike Ziegler. Please come and hear where our department is heading, ask questions and be entertained as Mike is a pretty funny guy!

Our fundraising efforts for a soft room at Central are full steam ahead! We are coming close to hitting our goal of \$15,000. If you or anyone you know, would like to donate to the project, there's a button on our website, it's that easy! Kris Pedretti is not only a survivor of the east area, rapist but a strong, focused and determined woman.

Have you ever donated blood? Please consider participating in the 7-11/DSA Blood Drive. Vitalant will bring their resources and mobile collection to the DSA office if we get 30 people to sign up before hand. Once the signatures are secured, a date will be set; probably in January. The sign-up sheet will be at our October meeting. Look for it on our information table.

Put our holiday party on your calendar... Friday, December 1st! Happy hour will begin at four dinner at five, silent auction and raffle to follow with music and dancing! There will be some irresistible auction items, so bring your checkbook or cash!

Larry Ortiz is our webmaster and is doing a great job. We are in the middle of updating our website, so please be patient.

**Thank you all for your support. I love seeing your smiling faces at our meetings. If you're not one of them be one at our October 11 meeting!
Be safe,
JoAnn**

Presidents Message Cont'd from Pg 2

A little brief paragraph to introduce you to Kris Pedretti:

Kris Pedretti grew up in a suburb of Sacramento in the 1970s. At the time residents considered it a safe community where they didn't have to lock their doors and left windows open at night.

That feeling was shattered in 1976 when the east area rapist, also known as the Golden State Killer, began his reign of tear in the community. Kris was barely 15 years old on December 18, 1976 when she became victim number 10 and was raped multiple times by the GSK.

Fast forward to today. Kris is the driving force to updating and renovating soft interview rooms for the central station in Rancho Cordova.

Come here her story at our November meeting.
